A apprentice electrician applicant should be a critical thinker with a background of electrical education and have a desire for continual learning to perfect their craft. Ideal candidates will have worked in a variety of aspects of the electrical trade.

We offer:

- Complete Pay
- Paid Holidays
- Paid Time Off
- SIMPLE IRA match
- Health Insurance
- Dental Insurance
- Vision Insurance
- Positive Work/Life Balance

What we expect:

- Install, troubleshoot and repair electrical power, controls and devices
- Measuring, cutting, bending and assembling conduit installations
- Residential wiring of lighting, receptacles, and associated outlets
- Connecting power to equipment
- Valid driver's license
- Current Class A Apprentice License or Unclassified License working towards Class A Journeyman.
- Effectively work with other team members and associated trades
- Maintain accurate daily records of jobs and materials
- Ability to lift and carry 50 pounds

The position is full-time.

The pay range is \$20 -\$25 per hour depending on experience.

Let me know if you have any questions.

Thanks,
